

Fishhawk Lake Project Solutions Team

---

**Dear Fishhawk Lake Membership:**

Fishhawk Lake Project Solutions (FLPS) would like to take this opportunity and invite you to an information meeting regarding the progress on spillway and fish ladder.

**FLPS Spillway and Fish Ladder Information Meeting  
Saturday May 6 – 2016  
11AM  
Community Lodge**

The purpose of this meeting is to provide you with the FLPS progress and our next steps for the engineering work and funding efforts. We are approaching several decision points and need to know your concerns and welcome your feedback. We will also be prepared to address any technical or monetary clarifications or any questions you may have.

**Preliminary agenda:**

- Summary review of the FLPS progress (see Spring 2017 FLPS Progress Update)
- Spillway alternatives and fish ladder next steps
- Financing and funding of the capital improvements

Your involvement and support is essential as the program moves forward for engineering design and construction, regulatory approvals, permits and funding mechanisms.

Thank you in advance for your consideration.
