Control # 9725 Rev A EXTERIOR LIGHTING

- All exterior lighting shall be designed and directed to illuminate only the property on which it is installed.
- "Sentry" lighting on free-standing poles or attached to structures will not be allowed unless the lighting is shielded to direct the light only within the boundaries of the lot on which it is installed.
- Pre-existing fixtures of this type must be brought into compliance with this standard within 5 years from the date this policy is adopted.
- In consideration of neighbors, floodlighting may not be left on overnight.
